Use the space below to briefly describe your professional experience or areas of expertise related to the content of this continuing education activity. (Do not include CV's)

Maripat's is an RN with 20 years of clinical nursing experience and 8 years in Clinical Risk Management.

Her role in Risk Management varies from process improvement, to acting as resource to staff and physicians, to leading patient safety initiatives, and often dealing with complaints and problems.

She has completed a one year fellowship in Patient Safety Leadership, and published her project on handoff of critical information during shift change in the Journal of Healthcare Risk Management, and presented on the same topic at the ASHRM [[American Society of HealthCare Risk Management](#)] National Conference in 2006.

Maripat has her certification in Healthcare Risk Management (CPHRM) and serves on the board of the Arizona Society of Healthcare Risk Management and was a previous member of the Arizona Association of Healthcare Quality Board. She also participates in patient safety initiatives with the Arizona Hospital Association.
